

I have 3 phone numbers and run a business in NJ. The relief of not having telemarketers calling day and night is tremendous because it allows us to concentrate on the things we need to do to operate the business on behalf of our clients and not disrupt family/personal activities, especially during meals. I need my staff to work, not only for our clients, but also for themselves, without 10-20 distractions a day. Please DO NOT rescind the DO NOT CALL order for NJ.
